

# I'm Guilty

## Stabbing Westward

Behind closed doors your words ring hollow  
What you said they'd be  
One behavior  
Who are you?  
But I like it

Now I'm done with nothing new  
Sometimes green and sometimes blue  
And I'm guilty  
And I'm guilty  
And I'm guilty  
And I'm guilty  
And you're guilty too

Hey, hey, hey, I'm guilty  
And you're guilty too  
Hey, hey, hey, hey  
I'll tell you something, something new  
You're hearing nothing, nothing true  
You're killing me, I'm killing you  
And I'm guilty too.

One, two, three  
I found you out  
So easily  
One, two, three  
I found in you  
What I found in me

The time is wrong, the time is right  
Be careful who you kill tonight  
And I'm melting  
And I'm melting  
And I'm melting  
And I'm melting  
And I'm melting in you

Hey, hey, hey, I'm guilty  
And you're guilty too  
One and one and one makes three  
One and one, why don't you see?  
I'm killing you you're killing me  
Can't you set me free?

Inside out I can't describe it  
What you do to me  
Inside out I cannot hide it  
Looking right through me

Now I've reached the living end  
Pointing fingers to defend  
And I'm guilty  
And I'm guilty  
And I'm guilty  
And I'm guilty  
And you're guilty too

Hey, hey, hey, I'm guilty  
And you're guilty too  
Hey, hey, hey, hey  
I'll tell you something, something new  
You're hearing nothing, nothing true  
You're killing me, I'm killing you  
And I'm guilty too.
