

Wasted

Stabbing Westward

I have spent
My life
Running from the emptiness
That haunts me

I have spent
My whole life
Trying to fuck
The loneliness away

And I die
Inside
When I think of all the people
I have damaged

And I'm tired
I'm so tired
And there's no one else
Except myself to blame

My life's been wasted
Everything is gone
My life's been wasted
And I am all alone
My life's been wasted
There is no one else
My life's been wasted
It's time I face myself

I've spent
My life
Trapped inside
A cycle of self destruction

And I've spent
My whole life
Trying to numb
The pain inside my soul

And you know
I cry
When I realized
I fought this war with no one

I'm tired
I'm so fucking tired
Gotta find a way
To keep myself alive

My life's been wasted
Everything is gone
My life's been wasted
And I am all alone
My life's been wasted
There is no one else
My life's been wasted
It's time I face myself

When I reach the end
Will anything I've done
Mean anything?
Will anything I've done mean anything?

My life's been wasted
Everything is gone
My life's been wasted
And I am all alone
My life's been wasted
There is no one else
My life's been wasted
It's time I face myself
