

What A Wonderful World

Stacey Kent

I see trees of green, red roses too
I see em bloom, for me and for you
And I think to myself, what a wonderful world.

I see skies of blue, clouds of white
Bright blessed days, dark sacred nights
And I think to myself, what a wonderful world.

The colors of a rainbow, so pretty, in the sky
Are also on the faces, of people, going by
I see friends shaking hands, sayin', how do you do
They're really sayin', I love you.

I hear babies cry, I watch them grow
They'll learn much more, than I'll never know
And I think to myself, what a wonderful world

The colors of a rainbow, so pretty in the sky
Are there on the faces, of people going by
I see friends shaking hands, sayin, how do you do
They're really sayin' (I, love, you).

I hear babies cry, I watch them grow
(you know their gonna learn
A whole lot more than I'll never know)
And I think to myself, what a wonderful world
Yes I think to myself, what a wonderful world.
