Baby... Its not the arguments It aint the time we spent I never worry bout who youre with or where you been You take good care of me I really should but please I know you probably wont believe its not you, babe its me I dont know why I dont love you anymore And though I try Its just not like it was before I wish that I Had reason to be mad at you Then maybe I would not feel bad for leavin you R: You may not like what I have got to say Baby I cant do this no other way My feelings for you boy just aint the same Make this easy please Dont ask me to stay Please dont say you love me I know you do Dont know why Im not still in love with you My feelings for you boy just aint the same Make this easy please Dont ask me to stay Baby its life itself You know how these things go Maybe Ive just grown out of you Maybe we'll never know I know sometimes ill miss you This may just be my loss Though it may not seem that way Maybe we are better off I dont know why I dont love you anymore And though I try Its just not like it was before I wish that I Had reason to be mad at you Then maybe I would not feel bad for leavin you R: I dont wanna live a lie no more How can I stay and not be sure I wanna be with you And I think you need to know the truth

Ohh stay, baby I cant stay I dont know why Tištěno z www.txp.cz
