

Don't Look At Me

Stacie Orrico

Don't look at me if you're looking for perfection
Don't look at me I will only let you down
I'll do my best to point you in the right direction
But don't look at me
No, no, no
Don't look at me, look at Him

Sometimes I have a fear
That you will see a mirror
And get the thought that it's the main attraction
But all that you detect
Is just what I reflect
Of the object of my own affection

I'll lead you to the One I found
He'll give you everything you need

Don't look at me if you're looking for perfection
Don't look at me I will only let you down
I'll do my best to point you in the right direction
But don't look at me
No, no, no
Don't look at me, look at Him

It's understandable to want a hero
But people can't meet all your expectations
Still some can teach you things about the love He brings
Just know the source of life is in the Savior

I'll lead you to the One I found
He'll give you everything you need

Don't look at me if you're looking for perfection
Don't look at me I will only let you down
I'll do my best to point you in the right direction
But don't look at me
No, no, no
Don't look at me, look at Him

He's the One who lived a perfect life
He's the One who always gets it right
He's the One and only guiding light, Ohh, yeah
He is everything you want to be
He's the answer to your every need
If you follow Him then you will see He's like no other

Ooh, ooh, ooh, ooh, ooh, ooh yeah

I'll do my best to point you in the right direction
But don't look at me
No, no, no
Don't look at me
Oh, don't look at me
I'll only let you down
I'll do my best to point you in the right direction
no no no no no oh oh look at Him
yeah, yeah
