

# Don't Look At Me

Stacie Orrico

Don't look at me if you're looking for perfection  
Don't look at me I will only let you down  
I'll do my best to point you in the right direction  
But don't look at me  
No, no, no  
Don't look at me, look at Him

Sometimes I have a fear  
That you will see a mirror  
And get the thought that it's the main attraction  
But all that you detect  
Is just what I reflect  
Of the object of my own affection

I'll lead you to the One I found  
He'll give you everything you need

Don't look at me if you're looking for perfection  
Don't look at me I will only let you down  
I'll do my best to point you in the right direction  
But don't look at me  
No, no, no  
Don't look at me, look at Him

It's understandable to want a hero  
But people can't meet all your expectations  
Still some can teach you things about the love He brings  
Just know the source of life is in the Savior

I'll lead you to the One I found  
He'll give you everything you need

Don't look at me if you're looking for perfection  
Don't look at me I will only let you down  
I'll do my best to point you in the right direction  
But don't look at me  
No, no, no  
Don't look at me, look at Him

He's the One who lived a perfect life  
He's the One who always gets it right  
He's the One and only guiding light, Ohh, yeah  
He is everything you want to be  
He's the answer to your every need  
If you follow Him then you will see He's like no other

Ooh, ooh, ooh, ooh, ooh, ooh yeah

I'll do my best to point you in the right direction  
But don't look at me  
No, no, no  
Don't look at me  
Oh, don't look at me  
I'll only let you down  
I'll do my best to point you in the right direction  
no no no no no oh oh look at Him  
yeah, yeah
