

# Wait

Stacie Orrico

You and I made mistakes  
We've been in and out of arguments  
And said some things we didnt mean to say (wait)  
This time you're not the one to blame  
Sometimes I get a little too afraid  
I didnt mean to cause you any pain

So wait (wait)  
Ahh wait darlin  
Before you go and throw our love away  
Can I get a minute to explain  
Now wait (wait)  
Ah think about it  
Before you turn around and walk away  
Baby how can I get you to stay now, wait

Now I've been caught with my heart on  
Time and time again  
Holdin on, why  
Boy you know I'm  
So alone I  
I just need a friend  
And you've been so  
Good to me  
I don't wanna miss a real good thing

Wait  
Ahh wait darlin  
Before you go and throw our love away  
Can I get a minute to explain  
So wait  
Ah think about it  
Before you turn around and walk away  
Baby how can I get you to stay now, wait

You dont know what you do to me  
Baby won't you sit and talk to me  
No it doesn't have to be this way  
Darlin I'm just wantin you to stay  
You don't know what you do to me  
Baby won't you sit and talk to me  
No it doesn't have to be this way  
Darlin I'm just wantin you to stay (stay)

So wait  
Think about it everyday  
Before you turn around and walk away  
Baby how can I get you to stay now, wait  
Now wait

Mmmmmmm, ohh (wait)  
Gotta wait  
Gotta wait  
Yeeeaahh, oooh  
I'm just askin you to wait on me  
Please wait  
Oooh, please wait baby
