

With a Little Faith

Stacie Orrico

I'd say I'm always happy if you want me to
But sometimes it's not the case
My life is not as perfect as it seems to be
It's simply God's amazing grace
I'm here to finally let you know
What keeps me hanging on
What keeps me going strong
I'm here to share His love with you
There is no need to fear to live this life of love

R: With a little faith, with a little love
I know we can make it
I know we can make it
With a little help sent from God above
I know we can make it
I know we can make it through

I know what it takes to be yourself
Instead of when they put you down
I can't understand why you choose to hide
When you should run to the strength I found
If only you'd see for yourself
Then you could know the one
Who loves you so much more
If only I could help you out
But God's the only one

What are you waiting for

R:

It seems to wash away
Can't find a will to go on
But I am here to say there's hope
You must carry on
Jesus will light your way
He'll give you all that you need
No need to be afraid all you've got to do is believe
