

1. I sit alone and watch the clock  
Trying to collect my thoughts  
All I think about is you  
And so I cry myself to sleep  
And hope the devil I don't meet  
In the dreams that I live through

R: Believe in me  
I know you've waited for so long  
Believe in me  
Sometimes the weak become the strong  
Believe in me  
This life's not always what it seems  
Believe in me  
Cause I was made for chasing dreams

2. All the smiles you've had to fake  
And all the shit you've had to take  
Just to lead us here again  
I never have the things to say  
To make it all just go away  
To make it all just disappear

R:

It's my life  
It's my choice  
Hear my words  
Hear my voice  
So just believe  
I sit alone and watch the clock  
Trying to collect my thoughts  
All I think about is you  
If you believe in me  
Life's not always what it seems  
Believe in me  
Cause I was made for chasing dreams
