

Epiphany

Staind

Your words to me just a whisper
your faces so unclear
I try to pay attention
and your words just disappear

R: Cause its always raining in my head
forget all the things I should have said

So I speak to you in riddles
cause my words get in my way
I smoke the whole thing to my head
and feel it wash away
Cause I can't take anymore of this
I wanna come apart
Or dig myself a little whole
Inside your precious heart

Cause its always raining in my head
Forget all the things i should have said

I am nothing more than
a little boy inside
that cries out for attention
yet I always try to hide
Cause I talk to you like children
though I don't know how I feel
But I know I'll do the right thing
If the right things is revealed

Cause its always raining in my head
Forget all the things i should have said
