

# Epiphany

Staind

Your words to me just a whisper  
your faces so unclear  
I try to pay attention  
and your words just disappear

R: Cause its always raining in my head  
forget all the things I should have said

So I speak to you in riddles  
cause my words get in my way  
I smoke the whole thing to my head  
and feel it wash away  
Cause I can't take anymore of this  
I wanna come apart  
Or dig myself a little whole  
Inside your precious heart

Cause its always raining in my head  
Forget all the things i should have said

I am nothing more than  
a little boy inside  
that cries out for attention  
yet I always try to hide  
Cause I talk to you like children  
though I don't know how I feel  
But I know I'll do the right thing  
If the right things is revealed

Cause its always raining in my head  
Forget all the things i should have said
