Outside

Staind

When you bring me to my knee again
All this time that I can beg you please in vain
All the times that I felt insecure for you
And I leave mz burdens at the door

I'm on the outside
I'm looking in
I can see through you
              G# major
See your true colors
Inside your ugly
Your ugly like me
I can see through you
                 G# major
See you the real you

All this time that I felt like this won't end, was for you
And I taste but I could never have, its from you
All those times that I tried, my intention, full of pride
And I waste more time than anyone

All the times that I've cried, all this wasted it's all inside
And I feel all this pain stuffed it down it's back again
And I lie here in bed all alone I can't mend
But I feel tomorrow will be okay, but I know
