

Question?

Staind

Which way do I go?

Pain I swallow I cannot keep it down

Hate I swallow I cannot keep it down

Down

You I hate you I cannot keep you down

You I'll rape you I cannot keep it down

Down

You before me

I can't take any more

Of what you have to offer

My ears are sore

Leave my feelings

In a heap by the door

Can't go up any further

Come crashing back down
