Staind

I have seen to many sad eyes look at me,  
Eyes that set me free,  
All the places that I've been.

Thank you for the letters that you thought you wrote in vain  
And for the times you chose to stand out in the rain and wait f  
or me,  
For me.

Your words,  
Your words help me to see  
A little honesty  
In a world that doesn't share  
And your eyes  
Tell the story of your pain  
Severity of your disdain  
In a world that doesn't care.

So thank you for the letters that you thought you wrote in vain  
And for the times you chose to stand out in the rain and wait

You, you understand my pain.  
From this I gather strength,  
In that we are the same.

So thank you for the letters that you thought you wrote in vain  
And for the times you chose to stand out in the rain and wait

The life I live will never be the same without you here
