Ground Zero

Stan Bush

In a cold far away word a better lives rage they needle and good from the stars it came here to earth calling (distrogel) to the hole universe nobody's worriors giveing there off fight in the skys to the victom stay tall. Ground Zero Nowhere to go Got to be willing to fight Ground Zero one thing they know only the strong will survive Ground Zero Unknown soldier fight in the war He's the power in (whist) from these days long before He's belong to victory like stand darkest hour one there destony True defence is over and right always wins prepaired for the fight and the battle begin Ground Zero Nowhere to go Got to be willing to fight Ground Zero one thing they know only the strong will survive Ground Zero Glory is calling for his dreams to his darkest corner when the air of it go they will finaly left on Has they really left on Has they ever lived in vitory True defence True defence All is not lost Evil stand feeding again Ground Zero no matter the cost Won't give up till all I wan Ground Zero Nowhere to go Got to be willing to fight Ground Zero one thing they know only the strong will survive Ground Zero
