

Straight To The Top

Stan Bush

Live in a town where you fight to survive
I've learned to stand on my own and to keep my dreams alive
Workin' hard every day when life stays the same, can bring a man
down
But a feelin' drives me on, keeps my world turnin' 'round
I won't be satisfied, there's a hurricane I was born to ride

That's takin' me straight to the top, I wanna run where the eagles
fly
Never gonna stop till I find my place in the sky
Takin' it straight to the top
When you're reachin' for the glory, you will never die
Down on the line, they're gettin' the best of me
But I don't belong here, I'll follow my destiny
When I stand on that mountain with my head in the clouds, I know
who I am
And I'll find that higher ground where I can walk like a man
If I don't try I'll never know, there's a hunger down inside my
soul

I won't be satisfied, there's a hurricane I was born to ride, y

I won't be satisfied, there's a hurricane I was born to ride, y
