

All I Need

Stan Walker

(All I could ever need in love)
Oh yeah we got it, we got it, got it, g-got it shorty
Y-y-yeh we got it, we got it, got it, g-got it shorty
Baby, baby I'm so glad that I got ya
All of the things I love about ya
Too many to describe but I want you to know that I'll be here
(we got the thing)
We got the thing that everybody else wants yeah
The way I look at you, I know you can't deny it
Oh baby, we got this thing on lock
Don't you worry the just jealous
'cause they isn't got what we got

'cause girl we, we got
Everything that I want in love
We, we got, all I could ever need in love
Oh yeah we got it, we got it, got it, g-got it shorty
Y-y-yeh we got it, we got it, got it, g-got it shorty
(all I could ever need in love)

Baby you see they're jealous
They say we don't know love
That's what they tell us
But baby you and I know
That baby this is real
You know i, I don't care about money
I'd rather have nothing and still have your loving
Cause I, I just can't get enough
Cause we got it got it, we got this crazy thing called love
