

# All I Need

Stan Walker

(All I could ever need in love)  
Oh yeah we got it, we got it, got it, g-got it shorty  
Y-y-yeh we got it, we got it, got it, g-got it shorty  
Baby, baby I'm so glad that I got ya  
All of the things I love about ya  
Too many to describe but I want you to know that I'll be here  
(we got the thing)  
We got the thing that everybody else wants yeah  
The way I look at you, I know you can't deny it  
Oh baby, we got this thing on lock  
Don't you worry the just jealous  
'cause they isn't got what we got

'cause girl we, we got  
Everything that I want in love  
We, we got, all I could ever need in love  
Oh yeah we got it, we got it, got it, g-got it shorty  
Y-y-yeh we got it, we got it, got it, g-got it shorty  
(all I could ever need in love)

Baby you see they're jealous  
They say we don't know love  
That's what they tell us  
But baby you and I know  
That baby this is real  
You know i, I don't care about money  
I'd rather have nothing and still have your loving  
Cause I, I just can't get enough  
Cause we got it got it, we got this crazy thing called love
