

# Forever I'm Yours

Stan Walker

I'm yours, I'm yours forever, forever  
I'm yours, I'm yours forever, forever  
I'm yours, I'm yours forever, forever  
I'm yours, I'm yours forever, forever, ever

Tonight I came here thinking I would never fall in love  
I should've known you'd take me for a ride, it's tough  
When I see you looking in my eyes, I go numb, n-numb  
Your touch, the way you make me feel, can't get enough  
You know just how to bring me up to let me go, I'm hooked  
I think it's time I get you here alone, here alone

I'm tripping out, I'm going crazy  
I'm all strung out, you got my heart racing  
Lose control, I surrender  
Girl, you got me, me, me, me

[Chorus]

I'm saying things I never ever said before-fore  
You're doing little things that I just can't ignore-nore  
I'm going outta my mind, you taking all my time  
And I don't even care long as you stay the night  
I'm yours, I'm yours forever, forever  
I'm yours, I'm yours forever, forever  
I'm yours, I'm yours forever, forever  
I'm yours, I'm yours forever, forever, ever

I'm gone, the way you're talking to me makes me go insane  
And I don't wanna get off what you break to me  
Cos, girl, you got a hold on me, me, me  
Don't stop it, baby, I can't help myself, I'm going crazy  
There ain't no one else  
You're taking me higher, you bring out the fire  
And there ain't nothing stopping me  
I'm loving where you're taking me

I'm tripping out, I'm going crazy  
I'm all strung out, you got my heart racing  
Lose control, I surrender  
Girl, you got me, me, me, me

[Chorus]

I'm saying things I never ever said before-fore  
You're doing little things that I just can't ignore-nore  
I'm going outta my mind, you taking all my time  
And I don't even care long as you stay the night  
I'm yours, I'm yours forever, forever  
I'm yours, I'm yours forever, forever  
I'm yours, I'm yours forever, forever  
I'm yours, I'm yours forever, forever, ever

I'll take you away, far away  
Let me lead the way for you  
I never thought you'd make me feel this way

I'm yours, I'm yours forever, forever  
I'm yours, I'm yours forever, forever (Ooh, baby, yeah)

I'm yours, I'm yours forever, forever (Yours, baby, I'm yours)  
I'm yours, I'm yours forever, forever, ever (Ah...)

[Chorus]

I'm saying things I never ever said before-fore (Yeah, yeah, yeah)  
You're doing little things that I just can't ignore-nore  
I'm going outta my mind, you taking all my time  
And I don't even care long as you stay the night  
I'm yours, I'm yours forever, forever  
I'm yours, I'm yours forever, forever  
I'm yours, I'm yours forever, forever  
I'm yours, I'm yours forever, forever, ever
