Homesick

Stan Walker

Ey, ey ey ey ohhhhhh yea yeah yea yea Watching the clock counting down the hours, Waiting not even 24 has past but I cant take it For your love I'm a addict cant break the habit Some many call me pathetic if she ain't yours you wont get it Ready to climb the highest tower just to see if I can spot her face out in the crowed from the distance When she not in my grasp my heart starts to panic Got a case of the classic missing my baby badly [Chorus] Homesick, all because my baby not around I'm homesick, even though we're in the same town I'm homesick, seconds after me kiss When you walk out the door I start to miss I can't control this feeling Its like I'm homesick, homesick Its like I'm homesick, homesick, homesick Its like I'm homesick, homesick, homesick Seconds after we kiss When you walk out the door I start to miss I cant control this feeling Its like I'm homesick Feels like forever when its only been some minutes Cause when we're together I just lose myself in it Is it wrong to be childish when my baby allows it Some may call me pathetic if she ain't yours, you wont get it Don't for a second I'm being insecure But when its so real, its a love you must adore No I wont beat around it, its like I jumped now I'm drowning In her presence, she's my life saving medicine [Chorus] Homesick, all because my baby not around I'm homesick, even though we're in the same town I'm homesick, seconds after me kiss When you walk out the door I start to miss I can't control this feeling Its like I'm homesick, homesick Its like I'm homesick, homesick, homesick Its like I'm homesick, homesick, homesick Seconds after we kiss When you walk out the door I start to miss I cant control this feeling Its like I'm homesick You been fishing now I'm hooked had the perfect bate Took a bite it was so good wanted a second taste You're my favourite thing to do everyday I need a dose of you I know you just left but I'm homesick [Chorus] Homesick, all because my baby not around

I'm homesick, even though we're in the same town I'm homesick, seconds after me kiss When you walk out the door I start to miss I can't control this feeling Its like I'm homesick, homesick Its like I'm homesick, homesick, homesick Its like I'm homesick, homesick, homesick Seconds after we kiss When you walk out the door I start to miss I cant control this feeling Its like I'm homesick
