

# Take It Easy

Stan Walker

[Verse 1:]

Stronger days, Bitter nights,  
Cold hands, Warm heart,  
Walking round,  
But you're staring at the ground,  
Take hold, fall apart.

[Pre-Chorus:]

Little by little,  
Someone blows the whistle,  
It don't matter in the end,  
So just slow it all down, slow it all down.

[Chorus:]

You gotta take it easy, easy,  
Live your life,  
Take on any kind of weather you and me together,  
We'll be fine,  
You gotta take it easy, easy  
Take your time,  
It's just you and me together any kind of weather,  
We'll be fine,

[Verse 2:]

Open road, broken down,  
Bright lights, dark town,  
Stand up then you fall again,  
You will find a way in the end.

[Chorus:]

You gotta take it easy, easy,  
Live your life,  
Take on any kind of weather you and me together,  
We'll be fine,  
You gotta take it easy, easy,  
Take your time,  
It's just you and me together any kind of weather,  
We'll be fine,

[Pre-Chorus]

Little by little,  
Someone blows the whistle,  
It don't matter in the end,  
So just slow it all down, slow it all down. [x2]

[Instrumental]

[Chorus:]

You gotta take it easy, easy,  
Live your life,  
Take on any kind of weather you and me together,  
We'll be fine,  
You gotta take it easy, easy  
Take your time,  
It's just you and me together any kind of weather,  
We'll be fine
