

# Think Of Me

Stan Walker

Sitting here alone in this empty room  
With memories of us still on the wall  
They all tell a story of what we used to do  
Up until the day that you were gone

And there's something that I'm dying to let you know  
I regret the day that I ever let you go

So if you're with somebody else  
While I'm here all by myself,  
And he's not the one,  
You got it wrong,  
Just think of me  
Oh, think of me.

If you're lying in his bed  
But it's me that's in your head,  
Then there's still a chance  
I can be your man  
Just think of me  
Baby just think of me

Tell me what to do to make it up to you  
Cuz I don't know a way to turn back time  
I am just a man that's so in love with you  
But girl I'll get it right with one more try

Is there still a part of you that wants to know  
I've been hurting since the day that I let you go

So if you're with somebody else  
While I'm here all by myself,  
And he's not the one,  
You got it wrong,  
Just think of me  
Oh, think of me.

If you're lying in his bed  
But it's me that's in your head,  
Then there's still a chance  
I can be your man  
Just think of me  
Baby just think of me

Do you think of me at night when I'm not by your side,  
Am I stopping you from falling asleep?  
In the morning when you wake up,  
Am I who you dreamed of?  
Tell me, are you thinking of me?

So if you're with somebody else  
While I'm here all by myself,  
And he's not the one,  
You got it wrong,  
Just think of me  
Oh, think of me.

If you're lying in his bed  
But it's me that's in your head,  
There's still a chance  
I can be your man  
Just think of me  
Think of me  
All you gotta do is  
Think of me  
Baby
