

Welcome Home

Stan Walker

Tonight I am feeling for you
Under the state of a strange land
You have sacrificed much to be here
There but for grace as I offer my hand

[Chorus]
Welcome home
I bid you welcome
I bid you welcome
Welcome home
From the bottom of our hearts

Yeah, mmm

Out here on the edge
The empire is fading by the day
And the world is so weary in war
Maybe we'll find that new day

[Chorus]
Welcome home
See I made a space for you now
Welcome home
From the bottom of my heart
Welcome home
From the bottom of our hearts

Keep it coming now
Keep it coming now, ooh
You'll find most of us here with our hearts wide open, whoa
Keep it coming now
Keep on coming now
Keep it coming now
Keep on coming now, yeah

Mmm, ah

There's a woman with her hands trembling, haere mai
And she sings with a mountain's memory, haere mai
There's a cloud the full length of these isles
Just playing chase with the sun
And it's black and it's white and it's wild
All the colours are one

[Chorus]
Welcome home
I bid you welcome
I bid you welcome
Welcome home, yeah, yeah

(Welcome home)
I bid you welcome, yeah
(Welcome back home) Ooh
(Welcome back home)
From the bottom of our hearts
From the bottom of our hearts
