

Won't Let You Down

Stan Walker

Baby, you are
The sun shining the light
Baby, you are
The stars that light up the night
I'm never too far
If you need me just call
And I'll be there for you, uh

And nothing can get in the way
Cos, girl, I won't stop until I see your face
Don't worry, baby, I'll be there to stay
I promise you now
I won't let you down, down, down

And if we're a world apart
It doesn't matter, you still have my heart
And, baby, you know I won't let you fall
I'm giving my all
I'm giving my all

Baby, I won't let you down, down, down, down
I won't let you down, down, down, down
I won't let you down, down, down, down
Cos you are my all
I won't let you fall down, down, down

You've got me running
As fast as I can
To get to you, girl
Can't wait to see you again
So just come closer
I won't let you go
When you're right here with me

And nothing can get in the way
Cos, girl, I won't stop until I see your face (Don't wanna stop, yeah, yeah)
Don't worry, baby, I'll be there to stay
I promise you now
I won't let you down

Girl, if we're a world apart (Girl)
It doesn't matter, you still have my heart
And, baby, you know I won't let you fall
I'm giving my all
I'm giving my all (Yeah)

Baby, I won't let you down, down, down, down (Ooh)
I won't let you down, down, down, down (Eee, yeah, yeah)

I won't let you fall down, down, down

All I need is you
Cos it's you I'm living for
I'll do anything for you

Girl, if we're a world apart (If we're a world apart)
It doesn't matter, you still have my heart
And, baby, you know I won't let you fall
I won't let you fall (Oh, oh, yeah, yeah)

Baby, I won't let you down, down, down, down
I won't let you down, down, down, down (I won't let you down)
