

# Passion In My Heart

Standa Dolinek

Passion  
A very deep deep feeling  
A growing flame in my heart  
A fever drive's me crazy

Passion  
I'm going out of my mind  
My heart beating so fast  
Cos' I'm thinking of you  
Passion

Desire  
To have my hands in yours  
To share your neighbourhood  
Just to be together

Desire  
Desire to be loved  
'Cause I see your eyes  
And I want to tell you something

Passion Desire  
Both feelings in my heart  
Both of them want to be shouted  
Passion Desire  
Both feelings in my heart  
Just to tell you I love you  
I love you so much

Passion  
A very deep deep feeling  
A growing flame in my heart  
Just let me tell you something

Passion Desire  
Both feelings in my heart  
Both of them want to be shouted  
Passion desire  
Both feelings in my heart  
Just to tell you I love you  
I love you so much  
I love you so much

Desire  
To have my hands in yours  
To share your neighbourhood  
Just to be together

Passion  
I'm going out of my mind  
My heart beating so fast  
And I want to tell you something

Passion Desire  
Both feelings in my heart  
Both of them want to be shouted  
Passion Desire

Both feelings in my heart  
Just to tell you I love you  
I love you so much  
I love you so much  
I love you so much
