

## Jane

Stanfour

All the times, that I've dreamed  
Of a life beside of you  
Never dared to believe  
That one day it might come true

You're taking me up to the heavens above  
I'll never come down cause I can't get enough  
Never imagine the way it would be  
It's the most amazing thing

Hey Jane, I love you  
Hey Jane, I will always do  
Cause I know in this life  
Hey Jane, I will always be with you

All the times, that I cried  
All the tears I couldn't hide  
Brought me down to my knees  
Made me blind and made me weak

You're taking me up to the heavens above  
I'll never come down cause I can't get enough  
Never imagine the way it would be  
It's the most amazing thing

Hey Jane, I love you  
Hey Jane, I will always do  
Cause I know in this life  
Hey Jane, I will always be with you

You came and changed me  
And I feel like someone else now  
I feel complete  
Yeah, you saved me, you changed me  
You saved me

Yeah, I will always be in love  
I will always be, I will always be with you  
Hey Jane, I'm with you  
Yeah  
Hey Jane, I love you  
Hey Jane, I will always do  
Cause I know in this life  
Hey Jane, I will always be with you  
Always be with you
