

# Mega Marital Problems

Starbomb

Hello Mega Man, und Mrs. Mega Man  
Welcome to couples' therapy. I am Dr. Wily

Dr. Wily? You're a therapist now?  
But you're evil and bent on world domination

Not anymore, those days are behind me  
Don't question it. Shut up. Just tell me the problem over this hot beat

Okay

Well, you see, Doc, I got a pretty nice life  
A mega house with two kids and a hot mega wife  
But I got a little problem with my android bride  
When it comes to making love she's never satisfied

We've been fucking for decades, sex has gotten routine  
We gotta spice that shit up, I'm not a total machine  
I'm sick of all the romance and the cuddles and the love  
It's time to get dirty and do all the weird stuff  
It would be seeming to me that the problem here  
Is you don't listen to your wife, she is being clear

But she says the same thing like a tape recorder

Quiet, the doctor is talking, there must be order  
(Sorry, I'm not evil anymore)  
You must beat the Robot Masters to acquire skills  
And then use them on your wife when she is getting drilled  
Maybe she likes shocks from Elec Man's beam  
Or get burned by fireballs  
She's a freaky man's dream

Is that what you want, hon, a Robot Master?

Get out and do it you stupid bastard  
Your marriage would be healthy like pure spring water  
Now leave my office before you are slaughtered

Fine I'll kick ass if it saves my marriage  
For the satisfaction of my lady's undercarriage  
First I'll take out Fire Man, not much of a test  
Oh, your weakness is ice? I would've never fuckin' guessed  
Now Ice Man is here, this shouldn't take up too much time  
Oh, is your weakness fire? You just blew my fuckin' mind  
I cut Cut Man and he's gonna need stitches  
Bomb and Elec Man just went down like little bitches

Wait, you douchebag, I'm gonna end your life  
I am Mega Man Zero and I'm here to plow your wife  
I bring sex moves from the future and my skills are vast  
Like my Super Double Ultra Mega Nutbuster Cum Blast. (Oh!)  
Women can't resist my blonde, flowing locks  
I'll slap a stamp right on my package  
And deliver your wife the cock  
My shiny armor is red, the color of victory  
While your fruity suit is blue, like your balls will soon be

Wait, what are you doing?

Mega dick, activate!

So Mega Man harnessed all the powers of the masters  
And killed Zero with his mega laser schlong blaster  
And then he banged his wife until she screamed "Yes more"  
Then she loved him again cause she's a shallow whore  
Sorry, that was misogynistic. She is a whore though

What did you say?

Nothing. Douche
