

## Outro

Starbomb

Have you ever thought about a butt?  
Butts butts butts, they're totally nuts!  
Whoa, whoa... sorry to interrupt another amazing rap, Egoraptor  
...  
But we're out of time again for this album!  
What? Again?  
Yeah, again  
I guess we'll just have to do Starbomb 3 and complete the Triforce  
Producer Dave, can you stop the music for a second?  
Well, uh... do we at least have time to play that fart sound effect again?  
I don't know if we have it in the budget...  
Ninja Brian, can you crunch those numbers for me?  
.....  
Yaaaaaaaay!!!
