

Absolutely

Starfield

Lover of my soul
I want to tell you
Only you have all of me
I cannot contain my adoration
I'm in love so desperately

No one is as lovely as you are
There is no one else who has my heart

Jesus you have me completely
Every breath I breathe
I am absolutely in love
Jesus I am yours forever
All of me surrenders
I am absolutely in love with you

Down upon my knees
I'm lost in worship
Humbled by your majesty
What is there to say
But how I love you
Thank you for forgiving me

No one is as lovely as you are
There is no one else who has my heart

Jesus you have me completely
Every breath that I breathe
I am absolutely in love
Jesus I am yours forever
All of me surrenders
I am absolutely in love with you

All I am is yours (all I am is yours)
Only yours

Jesus you have me completely
Every breath that I breathe
I am absolutely in love
Jesus I am yours forever
All of me surrenders
I am absolutely in love
Jesus you have me completely
Every breath that I breathe
I am absolutely in love with you
In love with you
