Absolutely

Lover of my soul I want to tell you Only you have all of me I cannot contain my adoration I'm in love so desperately

No one is as lovely as you are There is no one else who has my heart

Jesus you have me completely Every breath I breathe I am absolutely in love Jesus I am yours forever All of me surrenders I am absolutely in love with you

Down upon my knees I'm lost in worship Humbled by your majesty What is there to say But how I love you Thank you for forgiving me

No one is as lovely as you are There is no one else who has my heart

Jesus you have me completely Every breath that I breathe I am absolutely in love Jesus I am yours forever All of me surrenders I am absolutely in love with you

All I am is yours (all I am is yours) Only yours

Jesus you have me completely Every breath that I breathe I am absolutely in love Jesus I am yours forever All of me surrenders I am absolutely in love Jesus you have me completely Every breath that I breathe I am absolutely in love with you In love with you

Starfield
