

# Holy Is Our God

Starfield

Lift your hands, oh saints of God, lift up your hands  
Sing for joy unto the risen Son of man  
Celebrate the life that's been reborn in you  
Celebrate the One who's making all things new

Hallelujah Christ is King  
Hallelujah, rise and sing

[Chorus:]  
Holy is our God  
Wonderful is He  
Holy is the Lord Almighty

Fall before your maker, every creature fall  
Let your heart be still and know that He is God  
Tremble at the feet of him upon the throne  
Tremble men and angels before Him alone

Hallelujah, Christ is King  
Hallelujah, rise and sing

[Chorus]  
Holy is our God  
The Prince of Perfect Peace  
Holy is the Lord Almighty

To the One who reigns forever  
To the ancient of all days  
Be the glory, power, majesty, and praise  
[Repeat 3x]

[Chorus]

And the mountains bow and the rivers cry  
Holy is our God  
Over all the earth you reign
