

# Overwhelm

Starfield

This is an invitation to overwhelm my heart  
I'm asking you to meet me  
I'm waiting here to start  
My soul is like a desert  
Thirsty for your rain  
So open up the heavens  
And fill me up again  
I'm ready for my life to be consumed

Father here I am  
Overwhelm, Overwhelm  
Only your love can  
Overwhelm, Overwhelm  
Let your spirit fall  
Overtaking all  
Overwhelm, overwhelm, overwhelm, overwhelm me

Desperate for your presence  
I long for you alone  
So Dwell within me Jesus  
This temple is your home  
I'm ready for this life to be consumed

Father here I am  
Overwhelm, Overwhelm  
Only your love can  
Overwhelm, Overwhelm  
Let your spirit fall  
Overtaking all  
Overwhelm, overwhelm, overwhelm, overwhelm,  
Overwhelm, overwhelm, overwhelm, overwhelm me

Father here I am  
Overwhelm, Overwhelm  
Only your love can  
Overwhelm

Father here I am  
Overwhelm, Overwhelm  
Only your love can  
Overwhelm, Overwhelm  
Let your spirit fall  
Overtake it all  
Let your spirit fall  
Overtake it all  
Overwhelm, overwhelm, overwhelm, overwhelm,  
Overwhelm, overwhelm, overwhelm, overwhelm me
