

# Shipwreck

Starfield

I built a fortress  
With a hundred thousand faces  
I'll keep it safe  
With a hundred thousand more  
But these masks are wearing thin  
As You draw me in

I spent my time  
On the empty and the fleeting  
I spent my life  
On much less than I'd dreamed  
But I'm reaching out to you  
To make me new

'Cause I am just a beggar here at Your door  
I am just a shipwreck here on Your shore  
I come empty handed  
Ready to see  
Your life in me changing who I've been  
To who I need to be

You tell me my story  
As You sift between the pages  
I feel redemption  
In the space between each turn

Could You take me in Your arms  
And tell it just once more  
Could You take me in Your arms  
And tell it just once more
