

## I Was 17

Starflyer 59

sorry i broke your heart  
left you with no start

don't you know i wish  
i could take back the time  
seventeen  
i was seventeen

sorry about our plans  
left you with no band  
thought you'd be alright

don't you know i wish  
i could take back the time  
seventeen  
i was seventeen

sorry i broke your heart  
i was seventeen
