

## Mr. Martin

Starflyer 59

Hey, Mr. Martin, who can I trust?  
I've been told a lie  
For every season and every time  
I think I got the punch line

'Cause nobody likes a loss  
And nobody can stay on top  
'Cause nobody is always in  
The fattest were one time slim

Hey, Mr. Martin, I need a new job  
One that pays for my time  
Because I'm better than everyone else  
I think this is the punch line

'Cause nobody likes a loss  
And nobody can stay on top  
'Cause nobody is always in  
The fattest were one time slim

'Cause nobody likes a loss  
And nobody can stay on top  
'Cause nobody is always in  
The fattest were one time slim
