Mr. Martin

Starflyer 59

Hey, Mr. Martin, who can I trust? I've been told a lie For every season and every time I think I got the punch line

'Cause nobody likes a loss
And nobody can stay on top
'Cause nobody is always in
The fattest were one time slim

Hey, Mr. Martin, I need a new job One that pays for my time Because I'm better than everyone else I think this is the punch line

'Cause nobody likes a loss
And nobody can stay on top
'Cause nobody is always in
The fattest were one time slim

'Cause nobody likes a loss
And nobody can stay on top
'Cause nobody is always in
The fattest were one time slim
