One Shot Juanita

times only wasted when you know like I know the past times weren't the better times at all stop stabbing my heart stop stabbing my heart stop stabbing my heart stop stabbing my heart she's coming right here from the start I know your past life the better wife your own I know stop stabbing my heart stop stabbing my heart stop stabbing my heart stop stabbing my heart (I wrote this letter just to say I love you I wrote that just to say I love you juanita)
