

Death As a Fetish

Starfucker

No shame, shame like a family
white trash hang from the christmas tree
ghost dad, keeping the secrets and float the dead ones on
and I will never be good enough, quietly
and you will never be good enough just like me
and i will never be good enough, quietly
and you will never be good enough
never be good
so cute, look what the magazine
big heart i wana let it bleed
ushers keeping the secrets, float the bodies on
and I will never be good enough, quietly
and you will never be good enough just like me
and i will never be good enough, quietly
and i will never be good enough
i will never be good enoughx3
you're born, death as a fetish
you're sins, death as a fetish
you're smile, death as a fetish
you're plans, death as a fetish
you're music, death as a fetish
you're first kiss, death as a fetish
you're grand kids, death as a fetish
you're secret, death as a fetish
you're tinny feet, death as a fetish
(death as a fetish)
You're family, death as a fetish
(death as a fetish)
you're pretty eyes, death as a fetish
(death as a fetish)
you're perfect teeth, death as a fetish
you're money, death as a fetish
you're someday, death as a fetish
you're parents, death as a fetish
you're perfect
death as a fetish
