

# Granger Danger

Starkid

Here I am  
face to face  
with a situation I never thought I'd ever see  
It's strange, how a dress  
can take a mess, and make her nothing less than,  
beautiful to me

It seems like my eyes have been transfigured  
something deep inside has changed  
they've been opened wide but hold that trigger  
this could mean

Danger!

I think I'm falling in love  
Falling in love  
Falling in love  
I could be falling in love  
Falling in love  
Falling in love  
With Hermione Granger

What? What the hell is this?  
You expect me to sing about her?  
Don't care about her!  
It's just a little make-up, Draco wake up!  
I'm mistaken.

She is the hottest girl I've ever seen!  
Now, because she's like a girl I've never seen  
Don't know why, I'd ever be so mean.  
This could mean

Danger!

I think I'm falling in love  
Falling in love  
Falling in love  
I could be falling in love  
Falling in love  
Falling in love  
With Hermione Granger

I wanna let her know

I feel so queasy

But I can't let it show

She'd laugh, poor Weasley

Come on,

Ron,

Draco

You gotta let it go  
You gotta let it go
