

# Listen To Your Heart

**Starkid**

I know there's something in the wake of your smile  
I get an notion from the look in your eyes... yeah  
You've Built a love but that love falls apart  
Your little piece of heaven turns to dark

## CHORUS

Listen to your heart when he's calling for you  
Listen to your heart  
There's nothing else you can do  
I don't know where your going, and i dont know why  
But listen to your heart before  
You tell him goodbye

Sometimes you wonder if this fight is worthwhile  
The precious moments are all lost in the tide.yeah  
They're swept away and nothing is what it seems  
The feeling of belonging . to your dreams

## CHORUS

Listen to your heart when hes calling for you  
Listen to your heart  
Theres nothing else you can do  
  
I dont know where your going, and i dont know why  
But listen to your heart before  
You tell him goodbye

And there are voices, that want to be heard  
So much to mention but you cant find the words

The scent of magic the beauty thats been

When love was wilder.then the wind

#### CHORUS

Listen to your heart when hes calling for you

Listen to your heart

Theres nothing else you can do

I dont know where your going, and i dont know why

But listen to your heart before

you tell him goodbye

Listen to your heart

I dont know where your going and i dont know why

But listen to your heart before

you tell him goodbye
