

# Not Alone

Starkid

I've been alone  
Surrounded by darkness  
That I've seen how hard less  
The world can be  
And I've seen you crying  
You felt like it's hopeless  
But I always do my best  
To make you see  
'Cause baby, you're not alone  
'Cause you're here with me  
And nothing's ever gonna' bring us down  
'Cause nothing can keep me from loving you  
And you know it's true  
It don't matter what I come to be  
Our love is all we need  
To make it through  
No, I know it ain't easy (Know it ain't easy)  
But it ain't hard trying (It's so hard trying)  
Every time I see you smiling  
And I feel you so close  
To me  
Tell me  
'Cause baby, you're not alone  
'Cause you're here with me  
And nothing's ever gonna' bring us down  
'Cause nothing can keep me from loving you  
And you know it's true  
It don't matter what I come to be  
Our love is all we need  
To make it through  
Well, I still have troubles  
I trip nd stumble tryna'  
Make sense of things sometimes  
I look for reasons  
But I don't need 'em  
All I need is to look in your eyes  
And I'll be alright  
Baby, you're not alone  
'Cause you're here with me  
And nothing's ever gonna' take us down  
'Cause nothing can keep me from loving you  
And you know it's true  
It don't matter what I come to be  
Our love is all we need  
To make it through  
'Cause baby, you're not alone (oh, oh)  
'Cause you're here with me (Yeah, yeah)  
And nothing's ever gonna' bring us down (nothin', nothin')  
'Cause nothing can keep me from loving you (Nooothin')  
And you know it's true  
It don't matter what I come to be  
Our love is all we need  
To make it through
