

# Incredible

Stars Go Dim

It amazes me how you are  
So simply beautiful  
And it amazes me how i am  
The one that is, the one that holds your heart

And i don't deserve you  
But you won't ever hear me complain  
A day never goes by  
Without you amazing me

And i love the way that you love me  
The way that you dance without a care  
And i cant get enough of your sweet lips  
Everything about you is so, so incredible  
So incredible

There's something about the way that you love me, baby  
That makes me feel alive  
And i cant get over the feeling  
Knowing that i get to spend the rest of my life with you

And i don't deserve you  
But you won't ever hear me complain  
A day never goes by  
Without you amazing me

And i love the way that you love me  
The way that you dance without a care  
And i cant get enough of your sweet lips  
Everything about you is so, so incredible

And i couldn't see my life without you, now  
I'm so faithful

I love the way that you love  
(Love the way you love me)  
The way that you dance without a care  
(The way that you dance)  
And i cant get enough of your sweet lips  
(Oh, cant)  
Everything about you is so, so incredible

I love the way that you love me  
The way that you dance without a care  
(You dance without a care)  
I love the way that you love me  
I love the way you love me  
Your so incredible  
Your so incredible  
Oh, yeah.
