

Single f, under 33, must enjoy the sun, must enjoy the sea
Mrs.Destiny, send photo to address, is it you and me?

My name is Caroline cell phone number here, call if you have the time

28 and bored, grieving over loss, sorry to be heavy but heavy is the cost, heavy is the cost

Thanks so much for response, these things can be scary

Not always what you want

How about a drink? The St.Jude club at noon?

I'll phone you first I guess

I hope I see you soon!

I never got your name, I assume you're 33

Your voice it sounded kind

I hope that you like me

When you see my face, I hope that you don't laugh

I'm not a film-star beauty

I sent a photograph

I hope that you don't laugh...

Why did you not show up?

I waited for an hour and finally gave up

I thought once that I saw you, I thought that you saw me

I guess we'll never meet now

It wasn't meant to be

I was sure that you saw me, but it wasn't meant to be
