## **Romantic Comedy**

It's been five years we've had good and bad The ivy grows thick in our dark backyard When I shave in the morning you don't recognize me I ask if you're still there and you answer truly

don't walk away then turn and say I love you anyway don't walk away then turn and say I love you anyway you come for a week to love me then you up and leave next day don't walk away then turn and say I love you anyway

You think you're so bad but you're just badly raised You twisted and turned all the love that we made I cannot hold on and I cannot let go I was wasted at fifteen never learned to go slow

don't walk away then turn and say I love you anyway
don't walk away then turn and say I love you anyway
you come for a week to love me then you up and leave next day
so don't walk away then turn and say I love you anyway

You pick the curtains and I'll pick the sheets The silver anniversary will be the next time we meet I loved you before and I'll love you 'til then You're my foe and my brother and lover and friend Don't stay for the good stuff there ain't none left I'll love you and leave you, drive from this town if i give you a ring thers one thing you should know You have seven seconds before it's too late to go

So, don't walk away then turn and say I love you anyway I never ever wanna see you until our wedding day don't walk away then turn and say I love you anyway you come for a week to love me then you up and leave next day I never ever wanna see you until our wedding day Don't walk away then turn and say I love you anyway Don't go away
