## Stars

Why did you do me  
Why did you get done  
And all the misery  
You were an easy one  
We fell into the night time  
We fell into the road way  
We fell into a bedroom  
And then we couldn't get away  
We couldn't get away

How did we get here  
We took the slow way  
Do you love me  
What am I supposed to say  
And every time I touch you  
And every we take it off  
It feels like a concert  
And that it's worth it at the cost

Tell me how I sleep  
Tell me how I wake up  
Tell me how I dream

Tell me how I sleep  
Tell me how I wake up  
Tell me how I dream

I had a secret  
Yeah but I knew it love  
And we were children  
We danced it hand in glove

And every time we fought  
And every time we walked away  
And every single silence  
Was like a debt we had to pay  
It was a debt we had to pay

Tell me how I sleep  
Tell me how I wake up  
Tell me how I dream

Tell me how I sleep  
Tell me how I wake up  
Tell me how I dream

Tell me how I sleep  
Tell me how I wake up  
Tell me how I dream

Tell me how I sleep  
(You can fuck them when you doubt me)  
Tell me how I wake up  
(You can smoke a cigarette)  
Tell me how I dream  
(You can lie in soiled sheets  
Covered in your sweat)

Tell me how I sleep  
(You can take me)  
Tell me how I wake up  
(And you can have me)  
Tell me how I dream  
(But you can't make me happy)

Tell me how I sleep  
(You can fuck them when you doubt me)  
Tell me how I wake up  
(You can smoke a cigarette)  
Tell me how I dream  
(You can lie in soiled sheets  
Covered in your sweat)

Tell me how I sleep  
(You can take me)  
Tell me how I wake up  
(And you can have me)  
Tell me how I dream  
(But you can't make me happy)
