

It's Not Over ('Til It's Over)

Starship

Hey
listen:
We don't call the shots here
we don't make the rules

We take what we get
get what we can.
And it's learning the hard way here on the streets

You can't build a dream without a plan.

Passion speaks
let them hear you speak for me

They play to win
we play for keeps.
It's not over 'til it's over

it's not over 'til we get it right.
The odds are against us
say we don't stand a chance

When there's no giving up
no giving in.
When push comes to shove you got to fight for what you love

You do what you must
do what you can.

Passion speaks
let them hear you speak for me. . . .

It's not over 'til it's over

it's not over 'til we get it right. Get it right!

The odds are against us
you know we still stand a chance

There's no giving up
no giving in
it's not over!
It's not over 'til it's over

It's not over 'til we
'til we
'til we

'til we
'til we get it right!
