## **Rock Music**

Starship

Rock n roll is good time music Rock n roll is good time music

Mama said be a doctor son But a voice said follow the music Papa said be a lawyer boy But a voice said follow the mu' 'Cause you know you're not doin' for the money You're doin' it just for the thrills You don't do it for money, boy So thank the Lord rock keeps payin' the bills

Rock n roll is good time music Rock n roll is good time music

You may think that life ain't no laughing matter And go right on a talkin' all your intellectual chatter Well all that jivin', it ain't true So let's just push on through Rock n roll to stay alive Rock n roll will survive

Sneakin Monica out after the prom You know I didn't get her back, people 'Till just before dawn Outside we were creepin' Inside everyone was sleepin' Goodness gracious! That's rock n roll!

Rock n roll is good time music Rock n roll is good time music Rock n roll is good time music
