

How It Used To Be

State Champs

Apparently I'm nothing but a foolish boy with eyes.
That can see right though the fact that you are capable of lies
. .
Let's turn the page get one thing straight I'm fine (without yo
u)
cause it's all the same.

So sing us a song (we all know)
and maybe it'll change your life.

I couldn't fake a smile and for a while
I was putting you in your place
But if only I didn't have to see your face.
Don't tell me I'm not the same any more
I pay the do's you said I could pay for.
But now you're running.
You're running right back to me.

So sing us a song (we all know)
and maybe it'll change your life.

It's not how it used to be.
I agree.
We're growing up but I'll stay young
Even if it kills me.
Whoa.
[repeat]

I couldn't fake a smile and for a while
I was putting you in your place.
But if only, if only I didn't have to see your face.
