

Prepare To Be Noticed

State Champs

How'd you know that I would act this way?
I turn my back, you rebel, we stay the same.
You make it easy to believe that I know
who you are and why you're insecure.
I'm not certain yet, but I'll make sure
this will all get through to you.

I could never resist, so prepare to be noticed.
I hope that you know, inside I find it hard to rewind.
No, I don't wanna walk alone.

How'd you know that I could break this way?
I'm in town, it feels like we're miles away.
I'm still searching, while you're learning
who you are and why you're insecure.
You're not certain yet, but I'll make sure
this will all get through to you

I could never resist, so prepare to be noticed.
I hope that you know, inside I find it hard to rewind.
No, I don't wanna walk alone.

(No, I don't wanna walk alone)

That's saying something; what I'd do for you when
we both have next to nothing.

I could never resist, so prepare to be noticed.
I hope that you know, inside I find it hard to rewind.
No, I don't
No, I don't
No, I don't

I could never resist, so prepare to be noticed.
I hope that you know, inside I find it hard to rewind.
No, I don't wanna walk alone.
No, I don't wanna walk alone.

I could never resist,
(That's saying something)
so prepare to be noticed.
(what I'd do for you when)
I hope that you know,
(next to nothing)
inside I find it hard to rewind.
No, I don't wanna walk alone.
No, I don't wanna walk alone.
