

Breathe

Static-X

Regrets

I am away I froze, I froze
(So frozen cold)

All Bets

I turned my back
My heat, it closed
(I turn to stone)

Undone

I put my head into my hands
(my broken hands)

Not won

I did not want to understand

Breathe for me

Breathe in me

Breathe

I can

I cannot feel I cannot see
(I cannot see)

I got

This feeling hanging over me
(Hung over me)

I can

I cannot feel you take a breath
(One final breath)

I got

I got feeling, kiss of death

Still I fade, still I
fade

Away, away
